

# Sierra Vista Community Gardens, INC.

## Become a Bed Sponsor!

A few members of our garden community need your help to continue growing with us. Although we strive to keep our bed fees as low as possible, we still have gardeners that struggle to make the monthly payments needed to continue or start a garden. Please consider donating funds that will go directly to our Bed Sponsorship Program. This program allows qualified individuals to have their bed fees paid each month. A 3X20 bed is \$90.00 every 6 months. Making a donation of \$90.00 or more will allow a gardener to garden for 6 months. Helping members of the community have access to healthy food is a great way to give back.

**If you are interested in becoming a bed sponsor, please check the box and include your contact information below. Checks can be made to Sierra Vista Community Gardens and sent to 300 E. Wilcox, Suite B Sierra Vista, AZ 85635**

Yes, I want to be a bed sponsor, here is my check for
